## Description

Tumbly, scrambly Yummy Puppy is always full of beans! This tubby pup is all of a flurry in gorgeous oatmeal fur. With a funny round tummy, soft biscuit paws, perky ears and a quizzical face, Yummy Puppy is irresistibly cute. Boop that chocolate-drop nose and take this pooch out to play.

Memory

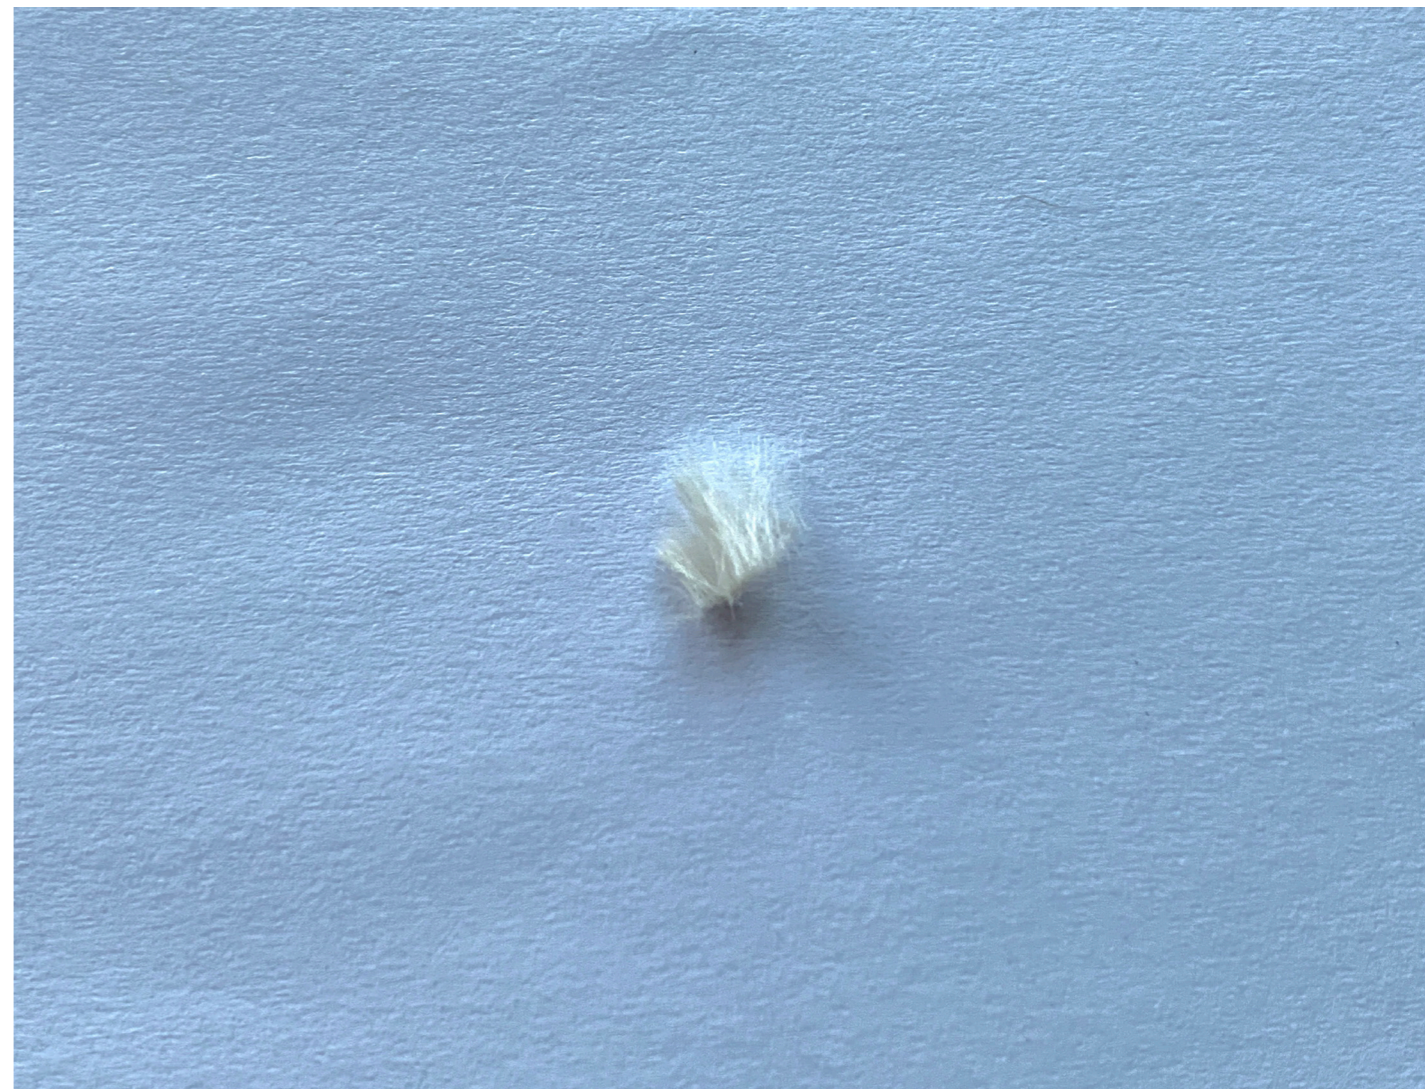

I lived with many friends in a shopping mall before. Until one day, there are a girl come to me and bring me home.
